Architectural Wall Packs

SAKS FIFTH AVENUE

SAKS FIFTH AVENUE
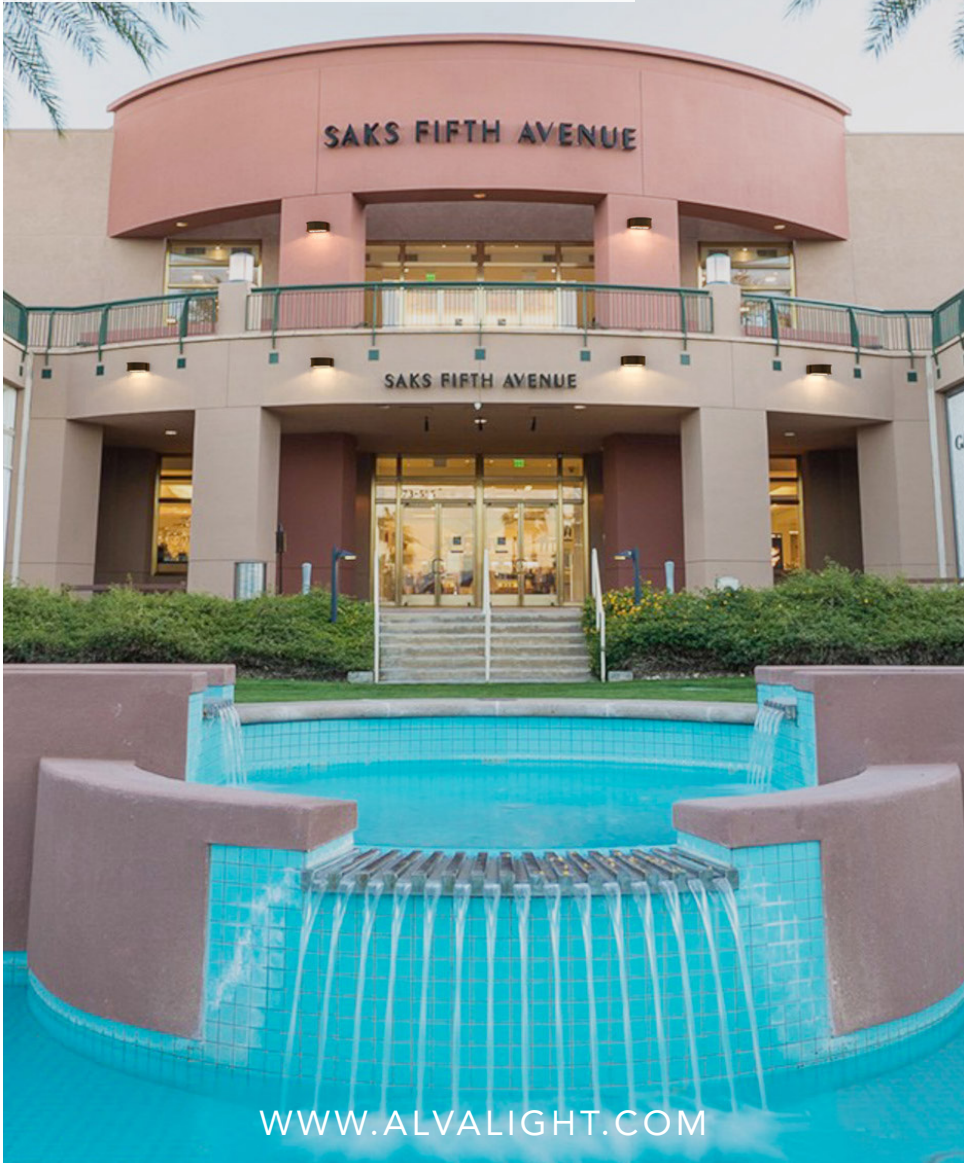

Wallis

With exceptional modernist design, Wallis (front & above image) is built using cold rolled steel with state of the art architectural powder coat finish. It is available in various CCT options from 2700 thru 4000. Comes automatically with occupancy sensor standard. IP66 rated.

Gus

Named after Gustave Eiffel, the designer of the Eiffel tower in Paris, Gus elevates a building's exterior.
